Ferry Service: The City of Toronto provides ferry service to Centre Island; the ferry docks are located at the foot of Bay Street on the central Toronto waterfront. They also offer rental of carts (wheelbarrows). For more Information on schedules and fares please contact Toronto Island Ferry Information at 416-392-8193.

Water Taxi Service: There are several private companies that offer private Water Taxi service. This is a convenient option to transport your items to the island. Contact information for the water taxi companies will be provided upon request.
